Ballestas Islands and Paracas National Reserve

Full Day

Ballestas Islands and Paracas National Reserve

Full Day

Package description:

The ocean, marine life, landscapes, and adventure in an unforgettable day.

Discover the breathtaking coastline of Paracas on a full-day excursion that combines a boat trip to the Ballestas Islands with the main scenic highlights of the Paracas National Reserve.

Sail across the Pacific Ocean, admire natural rock formations, and enjoy the chance to spot sea lions, Humboldt penguins, and a variety of seabirds. Then, explore the spectacular desert and coastal landscapes of the Paracas National Reserve.

A perfect experience for those who want to combine nature, adventure, and unique landscapes during their visit to southern Peru.

What will you experience during the tour?

Boat trip to the Ballestas Islands: We'll board a speedboat for a boat tour lasting approximately two hours

During the trip, you'll be able to see:

- The famous Paracas Candelabra.
- Rock formations and islands.
- Sea lions.
- Humboldt penguins.
- Various species of seabirds.
- Wildlife sightings are subject to the conditions of the tour and the natural environment.

Paracas National Reserve: After the boat tour, we'll continue on to the Paracas National Reserve to explore some of its main attractions and scenic overlooks.

We'll visit places such as:

- The Interpretation Center.
- The Cathedral.
- The Paracas Peninsula Viewpoint.
- Playa Roja.
- Lagunilla.
- Playa La Mina.
- We'll also have free time to enjoy the scenery and take photos.
